- Youth Productive Enterprise

Project Overview & Objectives

MCC is constructing the "Muhammadiyah Children Center Office": a service and administrative center that will support educational, counseling, and child development programs.

1

Improving Service Quality and Management

More suitable facilities for operations and management, so care and program coordination run more effectively.

2

Expanding Social Programs and Activities

A hub for empowerment, education, and mentoring programs, widening MCC's reach in the Jember area.

3

Supporting the Vision for Children's Wellbeing

Aligned with the vision of LKSA Nurul Husna under MPKS PCM Patrang: a safe and nurturing environment for children in need.

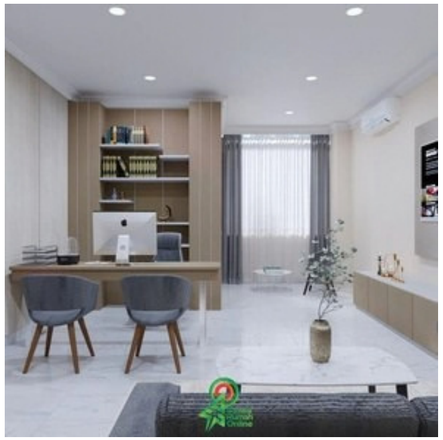

Project site: Jl. Jambu No. 39, Jember Lor Village, Patrang Subdistrict, Jember Regency, East Java 68118

Purpose of Development: Office Facilities

Meeting Room

Internal coordination and meetings with partners: program planning, evaluations, and staff or volunteer training.

Child Administration & Social Services Center

Hub for administrative activities and record-keeping, from beneficiary data to program management.

MCC's Workspace

Workspace of the general administration team: correspondence, finance, logistics, and external communications.

Family & Children's Counseling Room

Designed for counseling both the children in care and their parents or guardians.

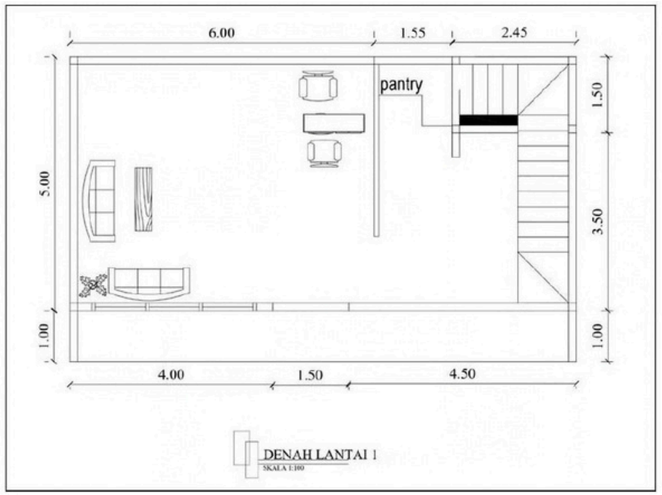

Reception Area

First area to welcome guests, donors, partners, and members of the public.

Building Design (Two Floors)

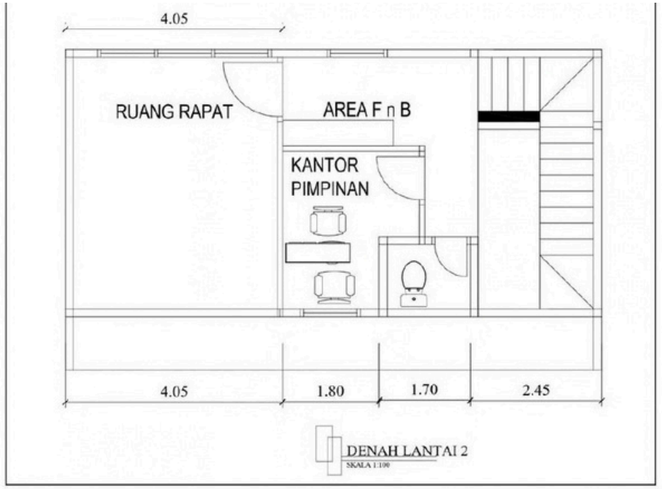

3D rendering of the proposed office

Ground Floor

Reception and waiting area, work area, pantry, and staircase.

Second Floor

Meeting room, director's office, food & beverage area, and restroom.
